Complete External and **Internal Treatment**

THE SET

Consisting of CUTICURA SOAP to cleanse the skin of crusts and scales, and soften the thickened cuticle, CUTICURA OINTMENT to instantly allay Itching, irritation, and inflammation, and soothe and heal, and CUTICURA RESOLVENT to cool and cleanse the blood, and expel humour germs. A SINGLE SET is often sufficient to cure the most torturing, disfiguring skin, scalp, and blood humours, rashes, itchings, and irritations, wift less of hair, when the best physicians, arz Zother remedies fail.

Assisted by CUTICURA QINTMENT, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, for baby rashes, itchings, and chafings, and for all the purposes of the toilet, bath, and nursery. Millions of Women use CUTICURA SOAP in the form of baths for annoying irritations, inflammations, and excoriations, for too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sanative, antiseptic purposes which readily suggest themselves to women and mothers. No amount of persuasion can induce those who have once used these great skin purifiers and beautifiers to use any others. Curicura Soar combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odours. No other medicated soap is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair and hands. No other foreign or domestic toilet soap, however expensive, is to be compared with it for all the purposes of the toilet, bath, and nursery. Thus it combines in ONE SOAP at ONE PRICE, the best skin and complexion soap, and the BEST toilet and baby soap in the world.
